**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a satisfied customer of Sonic for about a year now. Before Sonic, I had a list of providers including AT&T and Wave. Clearly there are reasons why I switched - the most important being that I actually get great dependable access to broadband at a reasonable speed/cost. I recall that I switched away from AT&T because they couldnt even get to 6 MB at the same price I am now paying for Sonic, which advertise up top 1G speed (I typically get up to 600 MB).

My hope is that you do not artificially restrict competition. It allowed us to get great service and I would hate to reward those companies that you just have to settle for.
